Continue to establish SGC By-Laws and Code of Conduct

The schools will all need to conduct an annual survey as part of the new Bullying legislation.

A statement will be placed on the website instructing people how to contribute to the agenda. By consensus, discussion on the Code of Conduct will take place next month. (7:40)

Sort results of Parent Survey

Approximately thirty five percent of our population completed surveys. Discussion took place on how to best review the results. M. Johnson will create a spreadsheet to track responses, the group will divide the task. Results will be available for the next meeting.

Training

M. Johnson, L. Hickey and K. Nash attended. There were some good discussion items raised. Trying to have a representative at each session would be a good idea. The sessions are thought provoking. There were some feelings that the training did not necessarily support The Council's needs.

J. Amalfitano received an email from an East Windsor SGC member wanting to collaborate. She also received an update from J. Forzanni who spoke in public session last month.
