The Board of Education will establish and maintain attendance areas for each school.

The District boundaries for each attendance area will reflect the following:

1. Capacity, current enrollment, and future enrollment projections
2. Ages of students
3. Proximity of student's residence to the school
4. Safe access for walking or bus routes
5. Racial balance
6. Needs of district-wide programs
7. Educational programs
8. Efficient utilization of schools
