It is the desire of the Board of Education to provide the best possible learning environment for students in the Danbury Public Schools. Recognizing that pride in one's appearance generally enhances the learning atmosphere; the Board encourages students to dress accordingly. In general, the manner of dress and grooming for students shall be appropriate for the activities in which they will take part.

Regulations consistent with this policy shall be established through cooperative planning with staff, students and parents and be incorporated in the student's code of conduct or student handbook.
