The Board of Education encourages communication with the public concerning programs, which are noteworthy. Staff members and/or students may be asked to make special appearances, performances or become the subjects of interviews by local media. The Board approves of such publicity provided that it is in harmony with the purposes and policies of the Danbury Public Schools.

If the interview is for an agency or group not affiliated with the Danbury Public Schools, the responsible teacher or administrator shall assure that appropriate release forms are executed by parents or guardians permitting publication of such interviews.
