ACTIVITIES***

Adopted: 6/14/00

Policy No. 9-221\*

Page 1 of 1

In recognition of the district's commitment to promote the involvement of community members in school activities, persons sixty-five years of age or older may be provided a senior citizen guest pass for all in-house school activities, including athletic events.

This is being done in appreciation for all that the district's senior citizens have done for the schools and community over the years.
