POLICY

TRESPASSING ON SCHOOL PROPERTY

Adopted: 6/14/00

Policy No. 9-510

Page 1 of 1

The Board has responsibility for property used for school purposes. Acting through the Superintendent, the Board delegates to building principals the authority to grant permission to enter and remain on school property. Persons who wish to enter school property shall follow such procedures as the principal may reasonably adopt, including a requirement that such persons report to the office. Persons who do not have such permission to be on school property shall be subject to applicable laws, including those concerning loitering and/or trespass on school property.
